Code Enforcement Officer

The City of Coldstream has a new Code Enforcement Officer, George Stewart, who works in partnership with the residents in our community.

His duties are to promote and maintain a safe and desirable living environment. He will administer a fair and unbiased enforcement program to correct any violations of the city's ordinances.

You can find the ordinances on our website at www.coldstreamky.org or contact us by email, phone or Facebook if you have more questions.

Kentuckiana Law Enforcement

The City of Coldstream also has a contract with a Kentuckiana Law Enforcement. KLE will work to make the City of Coldstream a safer and better place to live. They will be on the alert for speeders and other traffic violations. The speed limit in the city is 25 mph. KLE'S website is www.kleonline.net.

Waste Management of Kentucky

If you have a need to contact Waste Management due to lack of pickup of recycling or yard waste, you must mention that you live in the City of Coldstream. The contract is with the city and Customer Service will not recognize your address unless you let them know that you live in Coldstream. If you need further assistance you can call 243-7002 and the City Clerk will contact them.

City-Wide Yard Sales

The city-wide yard sales are held twice a year on the third Saturday of May and September. The yard sale signs are generally put up on the Sunday prior to the weekend of the sale.

City Newsletter

The city council has decided it would be a great opportunity to advertise their business in the city's newsletter. The price for advertising will be per newsletter as follows:

1/8 page (business card) - \$50

Rental Property Registry

On March 15, 2018, the city council adopted Ordinance 18-04 pertaining to Registration of Rental Housing Units in the City of Coldstream. This Ordinance provides that the City of Coldstream is empowered to require the registration of all rental properties located in the City. For a copy of the ordinance and the registry form, you may contact the city clerk at (502)243-7002.

TIPS FOR MOWING SEASON

It's that time of year to fertilize your yard, dust off your lawn mower and get ready for the mowing and growing season.

As you mow, please remember to direct grass clippings back towards your lawn and away from streets, driveways and sidewalks. Growing grass benefits from all the great nutrients found in lawn clippings.

Clippings left on impervious surfaces are washed down the storm drain and into the closest creek or stream. Once there, nature works to decompose the grass clippings, and while doing so, depletes the oxygen in water which fish and plants need to survive.

Keeping grass clippings off of the street and sidewalks is a simple thing we can all do to keep our city clean and beautiful.

Happy Spring and happy mowing!

City Council Meetings

The council meetings are held on the third Thursday of the month at 7:00 p.m. at Old National Bank, 9708 Brownsboro Road.
